“Thoroughly enjoyed the day, it went a long way towards removing the fear of secondary school. The activities were fun and engaging.”

“Loved it! A varied range of activities was provided. The day was a lot of fun and the staff were helpful and welcoming.”

This summer we are running two Senior School Taster Days for Year 5 children from local primary schools. The days will be focussed around a series of fun but educational activities to give children a taste of life at senior school in the hope of making the transition a less daunting experience.

The children will take part in a range of planned sessions including subjects such as drama, games, art, maths and science.

We would be delighted if your child would like to join us. The day will run from 9.10am to 3.00pm and we will provide refreshments and lunch. Children are to wear **casual clothes with trainers** so that they are comfortable and able to take part in a games session.

If your child would like to attend please fill in the reply slip at the back of this leaflet and return it to us **as soon as possible**. Please note that the number of places is limited and will be allocated in the order that the reply slips are received.

SAMPLE TIMETABLE

“My child enjoyed the taster day particularly the PE and Physics lessons, he also extolled the merits of lunch! We would recommend the day to other pupils interested in finding out more about SGS.”

“What an enjoyable and informative day, my child was on such a high at the end. It was such a pleasure for me to see what an exceptional school SGS is.”
