

STOCKPORT GRAMMAR JUNIOR SCHOOL

PROCEDURES FOR THE ARRIVAL AND COLLECTION OF CHILDREN (INCLUDING PROCEDURES FOR WHEN A CHILD IS NOT COLLECTED ON TIME)

This policy applies to all pupils at Stockport Grammar Junior School including those in our EYFS settings.

Our school has the highest regard for the safety of the children in our care – from the moment they are welcomed into school to the moment they depart at the end of the school day.

Nursery & Infant children

1. Under no circumstances are children allowed off the premises with anyone other than authorised collectors specified to the school.
2. Parents must name the authorised collectors of their child before the child starts school. Parents are also asked to supply a password. If there are any changes to these arrangements parents need to inform the school immediately either by contacting the school office or writing to the class teacher. The school may ask for a photograph or introduction to the new "collector" to ensure they know by sight who is collecting each child. It is the parent's responsibility to ensure the school knows who will be picking up their child. If anyone other than the regular collector is collecting, the password will be required. Where a message has not been received in advance to authorise a parent to collect someone else's children, that parent will also need to know the child's password in order for them to be able to collect the child.
3. If there is a specific legal reason why a specified person should not be allowed to collect a child, written instructions must be provided to the school by the parents/carers or legal guardians so the school is fully informed. The school will request a photograph of this person.
4. If in an emergency a parent asks for an unauthorised collector to collect the child that day, the school will ask for the agreed password. If the collector is unknown to the school, the collector may be required to pick the child up from the school office.
5. It is the parent's responsibility to ensure the safe collection of their children at the end of the school day by providing the school with the correct and up to date information.

The School Day

The start/end of the school day for Nursery & Infants is as follows:

The main gate is opened at 8.00am. The doors to Nursery are open at 8.00am, Infants at 8.20am and Juniors at 8.35am. The children need to be in class for registration by 8.40am. All teachers are in their area ready to receive children before the start of the school day.

The school day officially ends at 3.35pm and the staff are on duty until 4.00pm. To make it easier for parents to collect children from different sections of the school there is a staggered system. At the end of the day, Nursery opens its gates at 3:15 pm, Reception children are released at 3.25pm from a Reception classroom, Year 1 children are released at 3.30pm from a Year 1 classroom and Year 2 children are released from the Infant playground at 3.30pm.

After-school care operates until 6.00pm and all normal collection procedures apply.

Arrival/Collection Arrangements

Nursery

During the day the main gate is locked. For arrival, the gate and the Nursery door are opened at 8:00 am. Parents and children are met and welcomed by a member of staff, who records their time of arrival on Nursery premises and registration is completed. The office is responsible for contacting parents regarding any absentees.

The main gate is closed at 9.00am

For those children who are attending Nursery for half a day, parents collect from Nursery at 12.45 pm. The time of collection is recorded.

At the end of the day, the gate is opened at 3.15pm. Parents enter Nursery and collect their children from Nursery staff. The time of collection is recorded.

Infants

The Junior School is a secure area with the main gate kept locked during the day. For arrival, the main gate is opened at 8.00am and closed at 9.00am. Children in Reception and Year 1 are supervised in school from this time and Year 2 in the playground (also with the option to be supervised inside). The Infants go to their classes at 8.20am and the children are expected to be in class for registration by 8.40am. All teachers are in their area ready to receive children before the start of the school day.

The school day officially ends at 3.35pm. Reception and Year 1 staff release their children from their classrooms and Year 2 children are released from the Infant playground at 3.30pm.

For those children who attend after school clubs, the collection procedures are different. At the end of the club the member of staff running the club will wait the children in the location specified in the list published to parents until their parents arrive or, if not collected after 10 minutes, deliver them to After School Care.

After-school Club operates until 6.00pm and all normal collection procedures apply.

Years 3-6

The main gate is opened at 8.00am and children are supervised in the playground until the doors are open at 8.35am (unless wet, when children are supervised inside). The children are expected to be in class for registration at 8.40am.

Form teachers are on duty from 8.30am ready to receive children in their class areas at that time. The school day officially ends at 3.35pm. After school care operates until 6.00pm and all normal collection arrangements apply.

By the time the children move into Year 3, the school encourages the children to be independent in terms of their arrival and collection from school.

1. The children are seen off the premises at the end of the school day (3.35pm) by the teaching staff. The children are released at the front door (but not off the school site) with the knowledge that, if there is no known adult waiting to collect them, they are to return into school to the main school office, where there will be members of staff available to support them. At this point, the school will make every attempt to contact parents and the children will be under the supervision of school staff and therefore safe.

2. If in an emergency, a parent phones and asks for an unauthorised collector to collect their child that day, the school will ask the parent the child's date of birth. In the case where the collector is unknown to the school, the school will ask that the child is picked up from the school office and the appropriate security question will be asked.
3. If there is a specific legal reason why a specified person should not to be allowed to collect a child, written instructions must be provided to the school by the parents/carers or legal guardians so the school is fully informed. The school will request a photograph of this person.
4. In the case of school sporting events/visits etc. it is the parents' responsibility to inform the school who will be picking up their child if it is someone other than the authorised collector.
5. In some cases, parents have made the choice for their children to walk home by themselves at this stage in their school life.

At all times the responsibility remains with the parents to keep the school informed of any changes to arrival, collection or other procedures.

Other Arrangements

Buses:

Those children catching the school buses are supervised in school by members of staff and then escorted to the bus pick up area, where they are supervised until they are safely on buses.

Collection from front of school

Parents may request that their children are brought to the front of the main school. These children are supervised in school and then escorted over to the Dining Hall by members of staff. Parents collect children from the doors leading from the front of the Dining Hall.

Any children not collected or put on to the appropriate bus will be brought back to school, where normal procedures will apply.

Procedures for when a child is not collected on time

In the event that a child is not collected within the normal collection time staff will apply the following procedures.

At all times, we will ensure that the child receives a high standard of care in order to cause as little distress as possible. The child will be cared for by a member of staff known to the child and we undertake to look after the child safely throughout the time that he or she remains under our care. A member of SMT is on duty each day at the end of school and a member of staff from the school office also oversees arrangements.

Parents of children starting at the school are asked to provide specific information, including:

- Home address and telephone number
- Place of work, address and telephone number (if applicable)
- Mobile telephone number
- Names, addresses and telephone numbers of adults who are authorised by the parents to collect their child from the setting, e.g. childminder or grandparent.
- Information about any person who has parental responsibility for the child but who does not have legal access to the child.
- Parents are asked to inform the school on occasions they will not be at home or in their usual place of work.

If a child is not collected at the end of a session/day:

1. Staff will check with office staff to see if the parent has made contact with school and to check if any information has been received about any changes to the normal collection routines. Staff will also check the Reading Record /Communication book.
2. The child is taken to After School Care (for which a charge will be made – see published rates) and the information regarding collection is passed on to the school office and the School will attempt to contact parents.
3. The member of SMT on duty will be informed if staff are unable to contact parents. In the absence of any other option, in an emergency a member of staff may be required to supervise a child until parents are able to collect.

Infants (including EYFS)

Children who are not collected in the Infants remain in the classroom until 3.40pm. If no message has been received by the office they are taken by their teacher or teaching assistant to after school care. The parents are directed to this facility when they arrive or are contacted if they have not arrived after 4 pm. Nursery children remain in Nursery with Nursery staff until 3.40pm when they are taken to After School Care.

Juniors

At the end of the school day (3.35pm), children who are not collected in Juniors by 4.00pm are taken back into school and initially held in reception whilst enquiries are made. The school office will check to see if a message has been received from the child's parents. If no message has been received then staff will try to contact parents via the contact telephone numbers.

If the child is awaiting collection following an after school club, staff will wait a maximum of 10 minutes before taking a child to After School Care.

NO RESPONSE FROM PARENTS

At 6.00pm, the After School Care manager hands over any children who remain uncollected to the member of staff on duty. If there is no response from the parents contact or emergency numbers within a 1 hour from the closure of After-school care (6.00pm), a member of the SMT will contact our local authority children's social services team and the school will act upon their instructions. In such cases, a full written report of the incident will be made and OFSTED may be informed.

The school will charge parents for additional hours worked by staff (see published rates).
