Format of the day

This summer we are running three Senior School Taster Days for Year 5 children from local primary schools. The days will be focussed around a series of fun but educational activities.

Upon arrival the children will register in the hall and be assigned to one of three groups; each group will take part in four lessons aimed to inspire and provide a taste of senior school life.

There will be a morning break and lunchtime with the opportunity to socialise with members from all groups. Lunch and all refreshments are provided; there is a wide choice of options to suit most tastes and dietary requirements.

At the end of the day, children are to be collected from the hall where there will be a number of displays about life at Stockport Grammar School and members of the teaching staff will be available to answer any questions you may have.

We would be delighted if your child would like to join us. The day will run from **9am to 3pm**. All equipment for the lessons is provided and children are to wear **casual clothes with trainers** so that they are comfortable and able to take part in a PE session.
