Dear Mr Thorley

I am writing on behalf of the Prime Minister to thank you for your letter of 12 February 2020.

I was very interested to hear how your students have been learning about environmental issues. It is obvious that the pupils care deeply about this subject and have learnt a lot about it.

Unfortunately, due to the many demands on his time, it is sadly not possible for the Prime Minister to reply personally to your students directly. I have, however, passed their views to the Department for Business, Energy and Industrial Strategy, which has responsibility for this area, so that they are aware of the students' views.

Thank you, once again, for writing.

Yours sincerely

Correspondence Officer
