

Welcome to the SPA!

The Stopfordian Parents' Association

Supporting and enriching our school community

As soon as your child joins Stockport Grammar School, you and your family automatically become members of the SPA. Our association exists to enrich the lives of our children while studying at Stockport Grammar School – from Pre-Reception to Upper VI.

We do this by;

- **Promoting a School Community** for our pupils, parents, staff and Governors outside normal educational activities.
- **Enhancing our children's experiences** while at school over and above what the day-to-day curriculum provides for.
- **Raising funds** to enable us to provide activities, equipment and facilities for the children over and above those that the school should and does provide.

We are passionate that these goals should be complementary. For example, fundraising activities with a strong School Community will enhance pupils' experiences and education much more than fundraising alone.

We also have a thriving class representative system in the Junior School, welcoming new parents and organising informal events for year group families and friends. The Class Reps also represent parents at the termly headteacher/parent meetings where school related topics are discussed with the headteacher and school bursar.

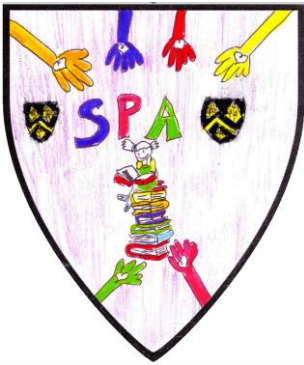

Annual events include our Christmas Fair, the Summer Fair, an annual Quiz Night and the Sports Day cake stalls. Ad hoc events have included a fantastic Band & Curry Night, Discos for the junior school children and much, much more.

We also run a termly second-hand uniform and musical instrument sale, giving parents an opportunity to buy and sell school uniforms.
