

SAFEGUARDING POLICY – APPENDIX 5

RADICALISATION RISK ASSESSMENT

Does the school have a relevant policy?	YES	This is part of the safeguarding policy.
Does the school liaise with external agencies regarding radicalisation?	YES	DSLs have WRAP training provided by Stockport Safeguarding Board or complete online training as advised by Stockport Safeguarding. Julia Storey from Stockport Safeguarding Children Partnership is the single point of contact for education in Stockport; she can be contacted for support and guidance or if schools need to make a referral to Channel.
Do staff have relevant training?	YES	DSLs have WRAP training provided by Stockport Safeguarding Children Partnership or complete online training as advised by Stockport Safeguarding. All teaching staff and associate staff who have considerable contact with pupils complete Prevent online training as advised by Stockport Safeguarding.
Has the school got suitable IT filtering/screening in place to ensure that pupils cannot access extremist material on the internet in school?	YES	
Has the school got a nominated lead to whom staff and pupils can refer concerns about radicalisation?	YES	Jo White – Senior School DSL Cath Hampson – Junior School and EYFS DSL
Do staff have a process to voice their concerns?	YES	Discussion with relevant DSL. Written record of the concerns to be made on the School's CPOMS system and the relevant DSL alerted.
Do pupils have a process to voice their concerns?	YES	Discussion with DSL or pastoral staff (or any member of staff who they feel comfortable speaking to). Pupil concerns to be referred by staff to relevant DSL.
Are there opportunities for students to be taught about radicalisation and extremism?	YES	Broad and balanced academic curriculum. Pastoral curriculum: Life Studies/PSHE lessons, assemblies and form periods.
Are all Junior School faith assemblies led by staff?	NO	All faith assemblies are led by adults but these may be visiting speakers from the local area.
Are all Senior School faith assemblies led by staff?	NO	Christian assemblies are led by staff or visiting speakers. The other faith assemblies (Muslim, Hindu, Sikh and Jewish) are led by pupils.
Are Senior School faith assemblies that are led by pupils (Muslim, Hindu, Sikh and Jewish) attended by staff?	YES	The Chaplain trains the pupils who lead these faith assemblies at the start of the year and arranges review meetings during the year. There is a member of staff on duty at each of these assemblies.

		These staff refer matters to the DSL if they have any concerns.
Are Senior School Friday Muslim prayers supervised by staff?	YES	The DSL supervises these by meeting the pupils before or after prayers and by sitting just outside the allocated room.
Is the fortnightly Senior School Christian Club supervised by staff?	YES	These staff refer matters to the DSL if they have any concerns.
Is there a visiting speaker protocol in place?	YES	
Are there any previous cases of radicalisation and extremism at the school?	NONE OF WHICH SCHOOL IS AWARE	
Are there any current cases of radicalisation and extremism at the school?	NONE OF WHICH SCHOOL IS AWARE	
Is the catchment area prone to cases of radicalisation and extremism?	TO BE KEPT UNDER REVIEW	The school has a very wide catchment area that includes Stockport, Manchester, Derbyshire, East Cheshire, Tameside, Trafford, Staffordshire and Oldham. Stockport Safeguarding have informed the school that there are concerns about right wing radicalisation in Stockport.
Evaluation of the risk	LOW	<p>Staff are suitably trained.</p> <p>Suitable IT filtering/screening and monitoring is in place.</p> <p>Procedures are in place to record and act upon any cases of radicalisation that are identified. An annual review of any cases will take place to identify trends etc. so that the school can be proactive and amend procedures as required.</p> <p>The DSLs will report to the Governing Body annually regarding cases, trends and recommendations following the review.</p> <p>The academic and pastoral curriculum gives the pupils appropriate knowledge of the issues associated with radicalisation and extremism. The curriculum is regularly reviewed.</p> <p>Faith assemblies and Friday Muslim prayers are supervised.</p> <p>There is a visiting speaker protocol in place.</p>
