**Welcome to Stockport Grammar School.**

SGS is a long-established school, founded in 1487, and we are proud of our history and our traditions, however we are a school that is also looking to the future and much has changed since our first inception. We are a co-educational, independent day school, which offers a modern, forward-looking approach to education so that we can ensure that our pupils are able to leave the school confident and ready for their next step, whatever that might be. We believe that it is important for pupils to develop a range of skills and characteristics while at school through a broad and wide-ranging education. Our academic outcomes are excellent: pupils achieve superb exam results through small class sizes, innovative and highly skilled teaching and individual pastoral support. But in addition to this, the huge range of co-curricular opportunities allows pupils to develop their talents and perform at a high level in their chosen field, whether that is music, sport, drama or one of our many other activities.

We would love for you to visit us to find out more about the school and to experience the supportive and encouraging environment that makes SGS such a special place. Throughout the year, we offer school day visits, open day events and taster sessions and we invite you to come and see for yourself! But if you are not able to visit in person, please do visit our website where there is a wealth of information to help you learn more about us.

If you have questions about any aspect of school life, please do not hesitate to ask us and we will be happy to help.

**Mrs Sarah Capewell**  
**Head of Senior School**

## SGS INSPIRES... ACADEMIC AMBITION

When you truly inspire a child to be curious about the world and resilient in the pursuit of their goals, you open up a lifetime of opportunity.

Our teachers provide that inspiration, they are motivated and gifted, and their dedication helps every child to develop their confidence and achieve their very best. We were delighted to receive the highest possible ratings of "Excellent" for both the Junior School and the Senior School in the Inspection Reports issued by the Independent Schools Inspectorate following their visit in the 2019 Autumn Term.

**"Teaching encourages independence and promotes self-confidence which allows pupils to take their own initiative. Pupils are curious and willing to learn new skills..."**

ISI Inspection 2019

**"Achievement in public examinations has been consistently high for the last three years."**

ISI Inspection 2019

Every child is unique and our class sizes enable us to pay close attention to the needs of each individual pupil, developing their character and their abilities. This year, in the First Year of the Senior School we have class sizes of up to 24 pupils and the number decreases as children progress through the GCSE and A Level years, with Sixth Form students in forms of 15.

The progress of each pupil is carefully monitored and the teachers offer advice, support and extra help as necessary with a dedicated Learning Support Department also available. Regular grades, reports and consultation evenings keep parents in touch.

Our curriculum is broad and balanced and we offer careful guidance to ensure that each child is able to follow a programme of study tailored to his or her aspirations. Unlike many schools, we do not use 'option blocks' at GCSE and A Level and this means that pupils are not limited in the combination of subjects they can study. Our pupils achieve exceptional results and with our expert support are able to progress to their first-choice universities and careers.

In 2022, 79% of A Level grades were at A\* to B with SGS students going on to courses at prestigious universities across the country, including Cambridge, King's College London, Durham, Edinburgh and Oxford. They chose to study a wide range of subjects including Medicine, Law, Biomedical Science, Film Production, Product Design, Classical Studies, Pharmacy, Engineering and Languages. At GCSE, 31% of the grades were at the top mark of 9, with 77% at 9, 8 and 7.

We want children to enjoy school. SGS is a happy, diverse and inclusive community in which children feel confident to explore and expand the boundaries of their potential without undue pressure.

Co-education provides the very best start for both girls and boys as they prepare for life in a co-educational world – they learn to work together and to learn from each other. There are no gender stereotypes at SGS.

We encourage our pupils to be creative and flexible thinkers, with high self-esteem and an awareness of the needs of others. We provide many opportunities to work collaboratively and take on leadership roles, including the Model United Nations programme which starts in Lower School and runs through to Sixth Form. Our charity and volunteering links focus on both local and international need – from Stockport to Sierra Leone.

Our exceptionally high standard of pastoral care creates a warm, caring and supportive environment, producing excellent relationships between pupils and with their teachers. Our two full-time School Nurses work closely with teachers and parents.

SGS seeks to develop the character strengths of the pupils, recognising that school is a preparation for life and not just for university. Our Character Education programme provides opportunities for pupils to grow in enthusiasm, curiosity, grit, community ethos and social intelligence.

**“I love school because I can be with my friends and I’m allowed to be myself and be happy.”**

Third Year pupil

**“Pupils’ social awareness is excellent, and this helps to create an extremely harmonious and engaging community.”**

ISI Inspection 2019

**“The school has encouraged our son to work hard and the fact he has been happy has enabled him to do this and the school should be credited for this.”**

Parent Survey

SGS INSPIRES...  
CARE, CHARACTER  
AND COMMUNITY

Supporting children in their own personal development is at the heart of what we do. An exceptional number and variety of co-curricular opportunities in sport, music, drama, academic societies, outdoor pursuits and trips nurture the talents of individual students, help to produce well-rounded young people and enrich the life of our community.

At our clubs and activities fair in early September, we encourage all new pupils to join in and challenge themselves by trying a range of activities. This is an excellent opportunity for them to make friends, extend their comfort zones and maybe even open the door to a life-long passion.

Our visits, trips, language exchange and outdoor activity programmes are well established and widely enjoyed both in term time and during the holidays. Our First Year induction trip to Ilam is a fantastic opportunity to get to know new classmates and there is no charge made for this trip. SGS adventures range across the UK and across the globe and details of forthcoming trips are available on the website to help pupils and parents plan ahead. Pupils generally choose between trips on the basis of interest and cost. For a child in receipt of a bursary, the school may contribute towards the cost of certain trips.

SGS is nationally recognised as a centre of excellence for the Duke of Edinburgh Award, with full support from Bronze all the way through to Gold.

Visit the SGS website to explore the full range of Beyond the Classroom activities.

## SGS INSPIRES... BEYOND THE CLASSROOM

**"Pupils excel in a wide range of creative and physical pursuits and are supported in their achievements by the wide-ranging extra-curricular programme, very good sports facilities, and excellent teaching and specialist sports coaching."**

ISI Inspection 2019

**"Over the last 13 years, Stockport Grammar has enabled our daughter to fulfil her potential not only academically but through music and sport as well."**

Parent Survey

# SPORT, PE, HEALTH AND FITNESS

## **Participation... Enjoyment... Excellence**

SGS provides exceptional sporting opportunities for every child. Our mission is to involve and improve everyone and create a lifelong relationship with exercise.

From football to dance, climbing, swimming, hockey, tennis and rugby we have over 30 sports on offer. We provide a diverse and inclusive programme of activities in which every pupil participates, through our curriculum and extensive co-curricular programme.

In addition to being inclusive, we aspire to the highest level of elite performance in our major games: our teams achieve national success and many of our pupils attain representative honours, including international selection. In 2021, SGS was ranked the top independent school in the North West for sport by School Sport Magazine in their annual Top 200 schools list.

National Hockey Champions 2015 –  
Finalists 2014, 2015, 2016, 2017 and 2018

Independent Schools National Netball Cup Champions  
2018 – Finalists 2018 and 2019

National Schools Netball Finals 2020 – Third Place

Netball County Champions 2022

National Schools Rugby Plate Competition –  
Semi Finalists 2022

Sisters n Sport Netball Champions 2023

The activities on offer are designed to be enjoyable and to challenge pupils' physical abilities. We also aim to provide as many as possible with the opportunity to represent the school.

In addition to specialist staff, the department is supported by over twenty sports coaches and academic staff who run and coach school teams.

Our purpose-built sports centre contains a sports hall with climbing wall and extensive changing areas. We also have a fully equipped gymnasium, a squash court, a 25m swimming pool, five netball courts (seven tennis courts in summer), an all-weather pitch (eight tennis courts in summer), four artificial cricket nets, numerous grass pitches and a fitness room including a nine station multi-gym.

Physical Education is offered at GCSE and Sports Science at A Level.

# MUSIC, DRAMA AND DANCE

## Drama and Dance

**“Drama is an important part of school life with many pupils enjoying considerable success in speech and drama exams and in school plays.”**

ISI Inspection 2019

SGS has been awarded a Platinum Artsmark Award, the highest possible grading, by the Arts Council England.

Regular productions bring together drama, music, dance and backstage teams in an exciting collaboration to showcase and develop pupils’ talents, with the latest productions ‘The Wind in the Willows’ and ‘Dido and Aeneas’ following on from ‘The Lion, The Witch and The Wardrobe’ and ‘DNA’. Annual Dance Shows are choreographed by the school’s specialist dance teacher who also runs dance clubs focused on different styles and classes within SGS’s PE curriculum.

Drama is offered at GCSE and at A Level.

## Music

Music is a part of every child’s life at SGS. For the first two years, all pupils have a well-structured musical education with the opportunity to try a large number of orchestral instruments with specialist teachers and all perform in a concert. Music becomes an optional subject in the Third Year. The Edexcel syllabus is followed by pupils choosing Music at A Level and GCSE. Many former pupils have gone on to study Music at Oxbridge, UK conservatoires and other leading universities and pursue successful careers in music.

**“Musical groups perform at a high level both within school and beyond.”**

ISI Inspection 2019

SGS offers outstanding opportunities to participate in music from beginners in Junior Band to concertos in First Orchestra with a vast array of ensembles, bands, choirs and orchestras covering different musical styles and concerts in prestigious venues from the RNCM to St Mark’s Cathedral, Venice.

SGS is committed to creating and developing the perfect environment for our pupils to enjoy learning.

### Sixth Form

In autumn 2020 we opened our new Sixth Form facilities. A large, modern and well-equipped social space with a stunning glass roof has been constructed – further promoting our strong sense of community. Existing facilities have also been developed to provide enhanced study spaces for the students.

### Nursery

In spring 2021, our youngest pupils moved into their brand new Nursery building in the grounds of the Junior School and we can happily say they are delighted with the facilities! With large bi-fold doors, the new development links the inside and the outside enabling the children to fully embrace outdoor learning whilst at the same time benefitting from high quality teaching from fully qualified teachers and Nursery assistants. As part of the project, play and learning spaces have been extended for children across the Junior School age range.

Founded in 1487 by Sir Edmond Shaa, Lord Mayor of London and Court Jeweller to three kings of England, we are one of the oldest schools in the country and very proud of our place in the history of the region and the nation.

Our former pupils share that pride, returning regularly to school to inspire their younger peers and to help them find their paths in the world. From the West End stage, to the corridors of Westminster and the worlds of business, international diplomacy and law, the routes which Old Stopfordians take reflect confidence, a determination to embrace opportunities and pursue ambitions.

Visit our website to explore our 'Alumni Stories' to find out more about the amazing and diverse paths followed by Old Stops including:

**Marianne Elliott OBE** – multi-award winning Theatre Director, known for the National Theatre and Broadway productions of 'War Horse' and 'The Curious Incident of the Dog in the Night-Time'.

**Professor Sir Anthony Cheetham FRS** – Distinguished Research Fellow for the University of Cambridge and former Goldsmiths' Professor of Materials Science, Vice-President & Treasurer of the Royal Society.

**Abigail Dean** – Best selling author of Girl A. Abigail is also a successful lawyer for Google.

**Ross Millington** – Long Distance Runner, he represented Great Britain in the Men's 10,000m Rio Olympic Games in 2016 and took second place in the Manchester Marathon.

**Dr Alex Kumar, MD** – global health physician, expedition doctor, scientific researcher, photographer and public engagement specialist.

**Sarah Carroll** – Managing Director of Global Multinationals for Corporate Banking Division at MUFG and recognised as a Financial Times top 50 Champion of Women in Business.

**Lucy Cotter** – Arts, Media and Entertainment Correspondent for Sky News.

## CONTINUOUS INVESTMENT

## SGS INSPIRES... YOUR FUTURE

# FIRST YEAR: THE START OF YOUR SGS JOURNEY

Our First Years join us from a wide range of independent and maintained primary and junior schools. Our team of First Year Form Tutors, the Head of First Year Mr Alex Ehegartner and the Head of Lower School Mrs Helen Lawson are all highly experienced at helping the children to settle into Senior School.

A Summer Term Induction Day brings children together to explore SGS and to get to know their Form Tutors and classmates before the start of school in September. A few weeks into the Autumn Term all the pupils take part in a two-day adventure to Ilam Hall Youth Hostel in Derbyshire. Ilam Hall provides a picturesque and comfortable base from which to explore the area and undertake specially designed tasks focused on teamwork, new friendships and confidence building. Sixth Form pupils volunteer as Lower School Friends, helping the younger pupils as they settle into SGS and encouraging them to try the many clubs and activities on offer.

Every pupil is a member of one of four Houses – Arden, Nicholson, Vernon and Warren – named after individuals or families who have played a role in the school's long history. The Houses bring pupils of all ages together for special activities, assemblies, competitions and events.

During the First Year all pupils study the same subjects: Art, Biology, Chemistry, Classics, Computer Science, Design Technology, Drama, English, Food & Nutrition, French, Geography, History, Life Studies, Mathematics, Music, Physical Education and Physics.

During the Second Year, pupils begin the process of choosing which languages and which creative and practical subjects

they wish to study in Third Year. Pupils choose five subjects from the following: Latin, French, German, Spanish, Art, Design Technology, Food & Nutrition, Music, Drama and Computer Science. At least two of the five options must be a language. Spanish is introduced in Third Year to give pupils a taster of the language so they can make an informed choice at GCSE. German and Latin are introduced from the beginning of the Second Year. Religion, Philosophy and Ethics is also formally taught from Third Year in one lesson per week. In First and Second Year, themes and skills central to the subject are taught through the Life Studies curriculum.

During the Third Year, pupils will be asked to make their choices for GCSEs. Mathematics, English Language, English Literature and at least two Sciences are compulsory. The study of at least one Modern Foreign Language is strongly recommended. Most pupils take nine GCSEs or ten if taking Further Maths.

The school's Careers Officer advises pupils on their choice of GCSE and A Level subjects, arranges visiting speakers and work experience.

Regular reports, Approach to Learning grades and Parents' Evenings provide parents with frequent updates on their children's progress. Parents are also encouraged to contact a Form Tutor, the Head of First Year or the Head of Lower School with any concerns they may have.

## SIXTH FORM

If you want exceptional teaching and expert guidance to prepare you for the opportunities which lie ahead, then Stockport Grammar School is the perfect place for you to study. Every year we welcome students from state and independent schools to join us for the two years of Sixth Form.

We offer small class sizes with 15 students in each form group. Combine this with outstanding co-curricular and personal development opportunities and you'll not only enjoy yourself and make long lasting friendships, but you will also have the best possible foundation for life beyond school. Our students achieve exceptional results and with our support are able to progress to their first-choice universities and careers.

Our Sixth Form offers the opportunity to make a strong start in four subjects, supported in small groups containing students passionate about their subjects who are inspired by gifted teachers. The phased transition to independent study possible within the framework of the school environment adeptly balances structure with a new dynamic, giving Sixth Formers more flexibility in their timetable and the option to continue with three or four subjects. The stunning glass roof of the new Sixth Form social and study spaces creates a bright and vibrant atmosphere, allowing a great sense of community to flourish, and there is ample space for students to quietly get on with their studies.

Central to the benefit gained from Sixth Form at SGS is the individualised support given in preparing students for application to university or other next steps, such as apprenticeships. The expertise and wise counsel offered from the Careers department to each student and from their UCAS Adviser ensures that at every step of the journey, there is a familiar face to guide, reassure, advise and assist.

There are many opportunities to work collaboratively and take on leadership roles, including the Model United Nations programme, Young Enterprise, and the Duke of Edinburgh Award, alongside a host of sporting, musical, theatrical and many more co-curricular activities. Sixth Formers may also become Prefects, helping younger pupils and staff with the smooth running of the school and taking responsibility for specific areas including Houses and Charities.

If you need help or guidance at any time during the admissions process please contact our Admissions Officer, Mrs Margaret Connor, by telephone on 0161 419 2409 or by email at [admissions@stockportgrammar.co.uk](mailto:admissions@stockportgrammar.co.uk)

# SENIOR SCHOOL ADMISSIONS

## Visit Us

Choosing a school for your child as they approach Senior School age is an important decision for parents and we want to make this process as simple as possible. You are very welcome to visit for an individual family school day tour so you and your child can experience SGS and ask the questions that are important to you. Please contact our Admissions Officer Mrs Margaret Connor at [admissions@stockportgrammar.co.uk](mailto:admissions@stockportgrammar.co.uk) or 0161 419 2409 if you would like to arrange a visit.

Our Admissions Team are always happy to meet you in-person, virtually or on the phone. Our Admissions Officer Mrs Margaret Connor is available at [admissions@stockportgrammar.co.uk](mailto:admissions@stockportgrammar.co.uk) or 0161 419 2409.

## Applications

You can apply for a place by completing an online admission form. Alternatively, you can print the application form or request a printed copy and send to:

Mrs Margaret Connor, Admissions Officer

Stockport Grammar School, Buxton Road,  
Stockport, Cheshire, SK2 7AF

A fee of £75 per child is applicable upon submission of the form.

## Entrance examination

The 11+ entrance examination for admission to First Year in September 2024 takes place on Wednesday 10th January 2024. The closing date for applications is Friday 8th December 2023. Please see the entrance examination page on our website for more details of the format of the exam.

## Post-examination meeting

An informal meeting forms the final stage of the admissions procedure. Those invited for a post-examination meeting will be notified by email within two weeks of the entrance exam. You and your child will meet with a member of the senior management team.

## Offer of a place

The letter will say if your child has been offered a place. If you have applied for financial assistance, the letter will also say if the place has been offered with assistance.

You will be given the opportunity to visit the school again after places have been offered.

## Entry to other years

Where vacancies arise, we are pleased to welcome children into Years 7, 8, 9 and 10. Children will be asked to take an assessment and references will also be sought from your child's current school. We do not normally admit children to Year 11.

## Sixth Form

Every year we welcome students from state and independent schools to join us for the two years of Sixth Form. Applicants and their parents will be invited for an interview with Head Mrs Sarah Capewell and Head of Sixth Form Mr David Stone. Applicants may be offered a place subject to expected GCSE grades being achieved and a suitable reference from the applicant's current school.

Details of Terms and Conditions and Cancellation Notices are available on the school website.

# SCHOOL LIFE

## School Hours

Senior School morning registration is at 8.40am but pupils may arrive from 7.45am when the school site opens. The Library opens at 8am and breakfast is available to purchase in the Dining Hall. There are 5 periods of lessons per day, with lessons alternating on a two week Blue Week/ Yellow Week timetable. Lunch is from 12.30pm to 1.50pm to allow plenty of time to eat, take a break and enjoy co-curricular activities. The school day ends at 3.50pm but the school site remains open to pupils to 6pm so they can take part in further co-curricular activities and use the school library and other study spaces.

## Meals

We are committed to ensuring our pupils are provided with nutritious, appetising and wholesome meals to aid their creativity, energy and concentration throughout the school day. We provide a comprehensive menu offering a range of healthy meals to satisfy all requirements and palates. Please let us know if your child has a food allergy or a special dietary requirement.

## Transport

Our location just off the A6 and its proximity to Woodsmoor and Davenport railway stations means that we are well served by private school bus services, public buses and rail.

### Private School Buses

We have an extensive network of private school buses.

### Public buses stopping outside school

192 route from Hazel Grove to Manchester, through Stockport.

199 from Buxton

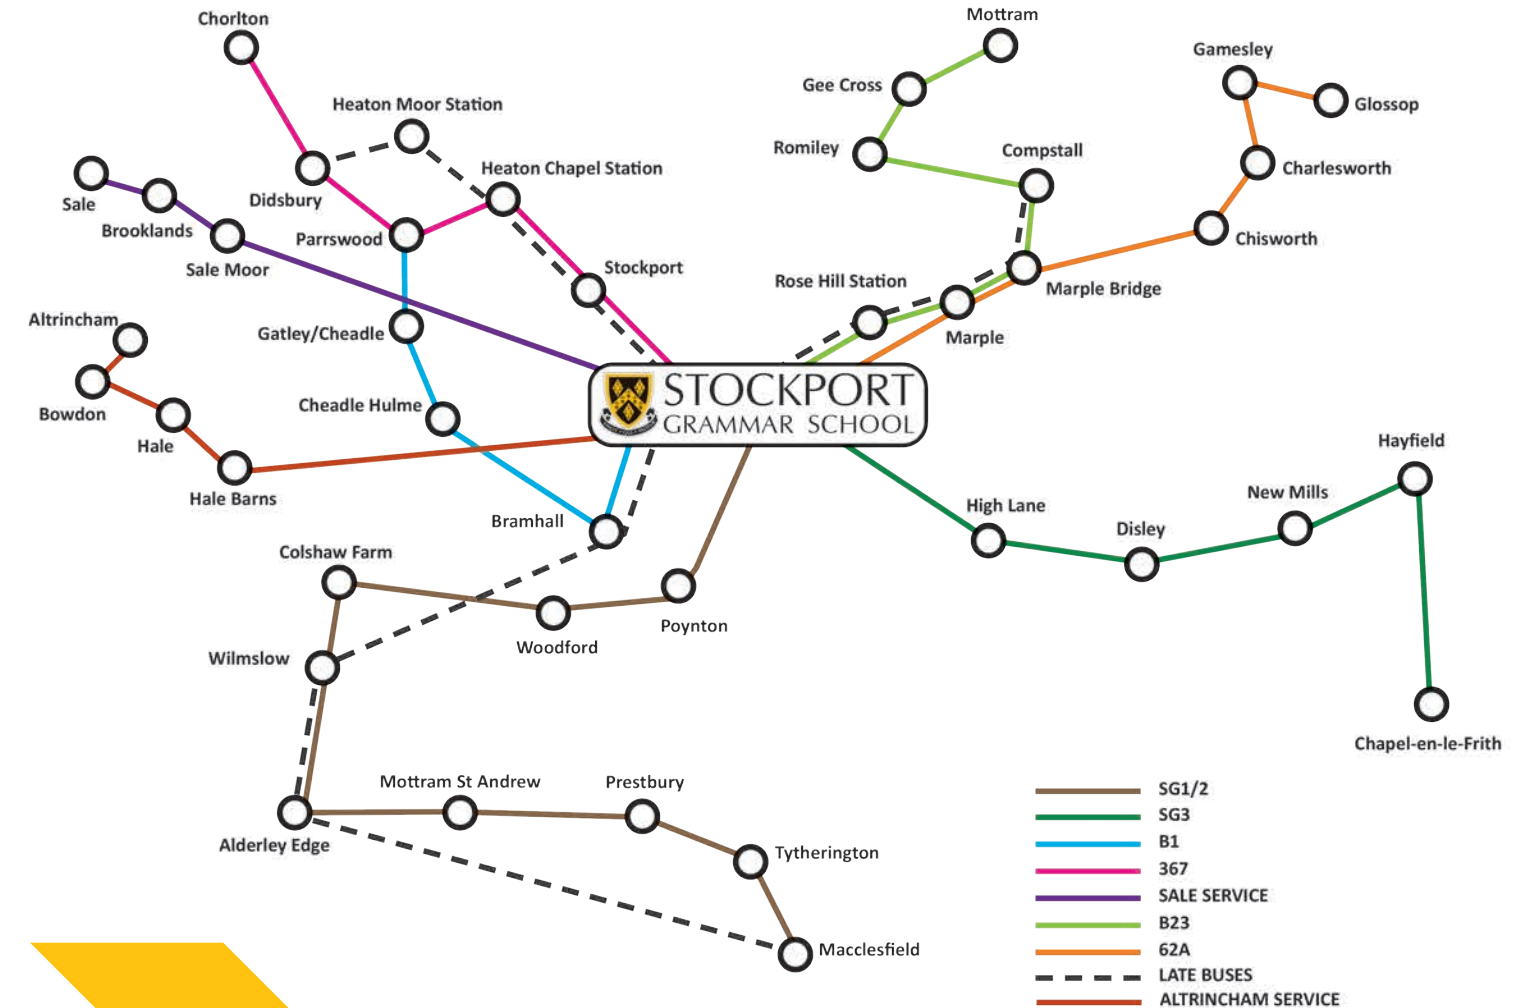

361 from Glossop and Disley

The 378 from Bramhall stops at Davenport railway station, a short walk away.

### Trains

Woodsmoor and Davenport railway stations are both a short walk from the school. The stations are on the Manchester to Buxton line with stops including Stockport, Whaley Bridge, Disley and Hazel Grove.

Stockport station is 1.5 miles north of the school and is easily reached with frequent bus services including the 192.

# PRIVATE SCHOOL BUS ROUTES

We were delighted to receive the highest possible ratings of "Excellent" in the Inspection Reports issued by the Independent Schools Inspectorate following their visits to the Senior and Junior Schools in the 2019 Autumn Term.

**In assessing the Educational Quality of a school, the Inspectorate focus on two key outcomes:**

The achievement of the pupils, including their academic development and The personal development of the pupils

**The Inspectors commented:**

**"Teachers have strong subject knowledge and constantly assess pupils' knowledge to enable them to plan and teach lessons which deepen pupils' understanding."**

"The excellent level of pastoral care ensures that pupils grow in both self-confidence and self-esteem and so develop into resilient young adults, ready for the next stage in their lives."

**"Throughout the school pupils' progress is rapid, and they achieve highly in both academic and other areas."**

"Pupils are aided in their learning by excellent teaching; lessons are well planned, encompass a variety of techniques and are tailored to the needs of the pupils."

**"Pupils demonstrate excellent communication skills; they are confident and articulate speakers, listen well and write fluently in a range of styles."**

"Pupils excel in a wide range of creative and physical pursuits and are supported in their achievements by the wide-ranging extra-curricular programme, very good sports facilities, and excellent teaching and specialist sports coaching..."

**"Pupils make an excellent contribution to the school community, through undertaking roles of responsibility or acting as mentors, and to the wider community through volunteering and involvement in charity work."**

[stockportgrammar.co.uk/admissions/visit-apply](https://stockportgrammar.co.uk/admissions/visit-apply)

We believe that children thrive when their natural enthusiasm for discovery is encouraged in an exciting, challenging and supportive environment.

Stockport Grammar Junior School is a happy and inviting place where the children in our care are inspired to become confident learners. We encourage them to enjoy the excitement of learning, developing an ethos where they have the confidence to be curious, to explore, to persevere, to ask questions, to tackle problems and to take risks.

With a rich and challenging curriculum, high quality teaching and an extensive range of opportunities outside the classroom, we help each child to develop their skills and talents, building a foundation which prepares them for their time in our school and beyond.

Our academic standards are high but without undue pressure and there is always someone on hand to provide encouragement and support when it is needed. Ours is a welcoming and supportive school community in which we expect all children to show kindness and respect to others. Above all, we want children to be happy at school.

SGJS has exceptional facilities with its own buildings on the school site, including dedicated Science, Music, Design Technology, Art and IT rooms and an all-weather surface. All Junior School age groups also benefit from swimming lessons in the school pool and the extensive playing fields. A brand new Nursery building was opened for our youngest pupils in spring 2021, as well as exciting new play spaces for all age ranges.

It is impossible to describe all of the things which make our school special but those who visit us quickly reach their own conclusion as they see busy, happy children, both at work and at play. Please contact the Headmaster's Secretary Miss Andrea Mariet on 0161 419 2405 or [marieta@stockportgrammar.co.uk](mailto:marieta@stockportgrammar.co.uk) to arrange a visit and to enquire about Admissions at ages 3, 4 and in other year groups where vacancies arise.

**STOCKPORT  
GRAMMAR  
JUNIOR SCHOOL  
(AGES 3-11 YEARS)**

# FEES AND FINANCIAL ASSISTANCE

School fees cover the cost of tuition, examination entries, textbooks, most co-curricular activities and the Senior School First Year residential trip. Parents are not asked to purchase IT equipment for use in school.

## 2023-2024 School Year

Senior School and Sixth Form fees: £4,757 per term  
Junior School: £3,672 per term  
Nursery: £3,475 per term (if attending full time)

Early Years Funding is available for pupils who are eligible. For further information please contact the Junior School.

## Payment method

School fees can be paid by direct debit, either termly or three times per term.

## Financial advice

Stockport Grammar School does not give financial or investment advice. You may wish to take advice from your own financial advisor or one of the companies who offer specialist advice as to the best way to plan the costs of long-term fee payment.

## Lunch

Every child stays for lunch, except Nursery children not attending a full day. Lunch is charged for separately per term.

## 2023-2024 School Year

Senior School lunches: £262 per term  
Junior School lunches: £235 per term  
Nursery and Infant lunches: £204 per term

## Bursaries

We may be able to offer limited assistance with Senior School and Sixth Form fees to parents whose income is less than £59,950. Please see the bursaries and scholarships page of the website for more details or contact our Admissions Officer Mrs Connor at [admissions@stockportgrammar.co.uk](mailto:admissions@stockportgrammar.co.uk) or 0161 419 2409.

## Shaa scholarships

We offer a small number of scholarships each year based on outstanding performance in the entrance examination. A Shaa scholarship gives a reduction of £1,000 on each full year's fees and is held for the pupil's first five years in the senior school, subject to an annual progress review. You do not need to apply for a Shaa scholarship and they are not subject to a means test. Offers of Shaa scholarships will be made in the letter sent to parents in March giving the outcome of the entrance examination.

## Music scholarships

Two music scholarships are available each year to cover up to 25% of the school fees. Music scholarships are awarded after audition to prospective pupils who have already reached a high standard on one or more instruments and show outstanding musical potential. Please see the bursaries and scholarships page of the website or contact Mrs Connor at [admissions@stockportgrammar.co.uk](mailto:admissions@stockportgrammar.co.uk) or 0161 419 2409 for details of how to apply for a Music Scholarship.
